- ACTION

Espace Tri du petit réemploi

In collaboration with Audrey Guidon, Eva Morel, Willy Robillard and Jennifer Vasseur, employees of La Ressourcerie Association

In the town of Ervillers a big hangar lit by neons was shared by several handling workshops of La Ressourcerie Association. In collaboration with four employees the workshop of Small re-usables sorting was transformed. We carpeted, installed panels, windows, tablecloths and soft lighting. For a week, two employees worked in this transformed workshop. This project questioned the impact of the work environment on the comfort and the recognition of the employees.
