

- ACTIVITY

Détournements of everyday environments

- ACTION

Flaques

In collaboration with the Jean Macé public library

Installations based on books of the public library. Used as different swathes of colours, I built forms or rebuilt spaces in the library. The book covers' colours were usually designed according to their content. So themes were interacted with installations (eg: red covers = law, religion, politic ; blue covers = poetry, novel etc..).

- NAME / SURNAME

Anne Moirier

- DATE / PLACE

2014, Metz ^{FR}

- DETAILS

books, variable dimension,
variable duration

- PARTNER

FRAC Lorraine 49 Nord 6 Est

Action realized during the
Résidences croisées aiR 2014
